EXLNT Equipments (PTY) LTD

The engagement and current dominance of African owned mining companies and construction companies, has created a big need for earthmoving machinery and a vast variety of smaller equipments to cater for the demanding task in the two fields.

The formation of Exlnt Equipments Pty Ltd was due to the plite of the newcomers in the mining and the construction sectors, who were and some are still finding it difficult to get the trust of established plant hiring companies.

The two directors of Exlnt Equipment have got the necessary vast experience in the plant hiring business, having themselves been working for different plant hiring companies at managerial levels for over nine years. Exlnt Equipments is there to work as a bridge between the emerging contractors / miners and the already established equipments companies.

Our Vision

To provide customers with equipments which are in good reliable working conditions .

Deliver the requested equipments to our clients sites on time.

We strive to be the most successful and reliable hiring transportation company in the Southern Africa region.

Company Values

Our team goes on extra mile by providing the necessary and much needed helpful information to our clients.

Such information as which machines to hire for particular jobs or which machines to hire first when establishing a site which has got a potential of perating for a longer period.

Maintaining a good working relationship with our old clients is our priority and at the same time we value the input of our new customers so as to keep Exlnt Equipment's energized and afloat.

➤ We aim to surpass the achievements of the current dominating plant hiring companies by:

- ✓ Maintaining service Excellence .
- ✓ Providing superior plant and transport solutions according to each customer's need.
- ✓ Treating our staff and customers with respect and honest .
- ✓ Appoint qualified and experienced staff.
- ✓ Developing new and innovative ways to safely and cost effectively deliver equipments to customers on time
- ✓ Offering customers a dedicated , Long term personalised services.
